

HOSTING AT THE COUNTRY SUNSHINERS SQUARE DANCE CLUB

Hosting a regular dance is comprised of these tasks, namely:

- arrive at 6:30 pm to set up chairs & tables, banner & mascot in the hall;
- make the coffee, tea and set out the cups, condiments, etc.;
- greet the guests as they arrive;
- put out the snacks at break time; and
- at end of evening clean up kitchen and assist with takedown of chairs & tables.

You could get together with other members to divide these tasks however you wish.

For regular dances the Club provides all the food and refreshments - there are always cookies, crackers in the cupboard to put out at snack time.

For the special dances, Debbie & Warren Johnson will be the leads and will ask others to sign up to assist. Since we usually have visitors, more tables are set up and we usually plan for special food and decorations (something sweet, salty, veggie/fruit). *Whatever food is to be served is based on whatever the host people come up with.* If you want to be creative and assist with any of these special dances, sign up on those dates and speak to Debbie to offer your help.

We are very grateful for **Debbie & Warren Johnson** who have a lot of decorations and are quite happy to decorate the hall for our special dances but if you have decorations or suggestions, connect with Debbie.

The Club will reimburse you for items purchased for the special dances - **within the Club's budgeted amounts** - just hand in your receipts to our Treasurer.

Happy Hosting

A welcoming smile is the main ingredient required for a wonderful evening.

The Social Convenors are always there to help and answer questions.
